CAPITAL GROWTH

30%+
ROI over 2 years

- Resale after construction
- Yield: +40% over 2.5 years
- Example: villa \$145,000 → \$190,000.
- Suitable for those who want to lock in profits on value growth

PASSIVE INCOME

\$20,000
annual income
≈13,8% per annum

- Rental with a management company
- Income: \$20,000 per year ≈16% per annum
- All maintenance is handled by the management company
- Can be sold later at a higher price

SALE OF AN EXISTING RENTAL BUSINESS

5 years
guaranteed return

For strategic investors seeking maximum returns. Combines two key scenarios:

- Purchase at an early stage of construction
- Rental management through a management company
- Sale after 5 years of operation with proven income

STAGE 3

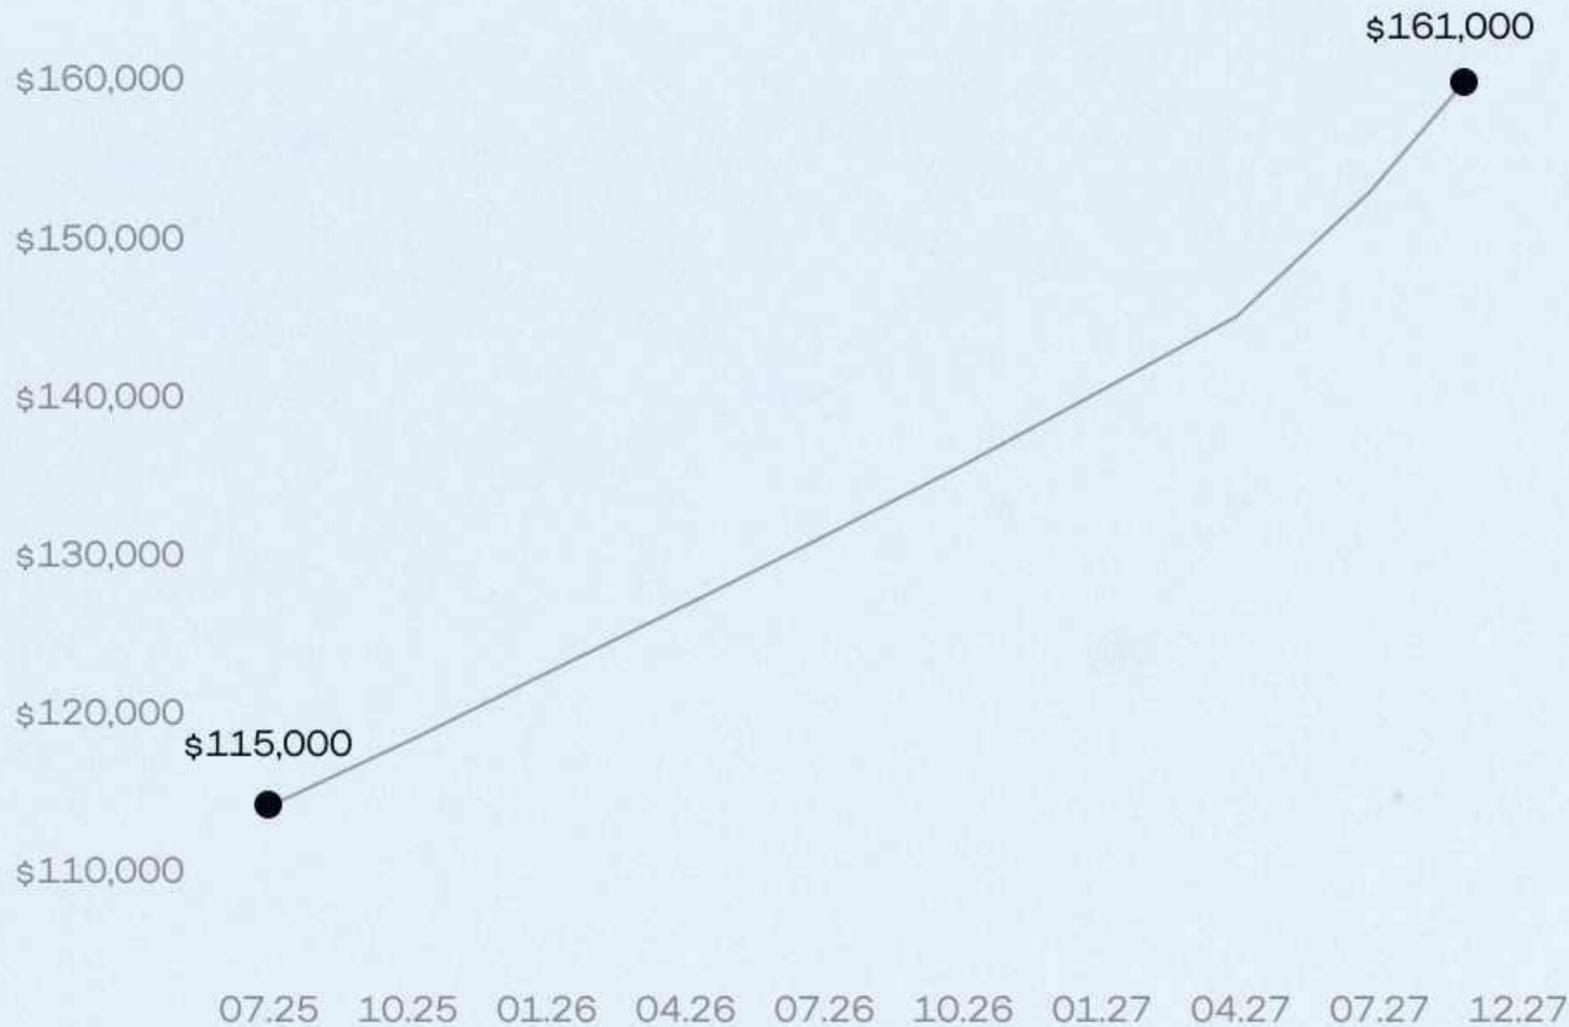

Remaining Payments

Paid throughout the entire construction period once per quarter

ONE OF THE BEST PAYMENT PLANS

Our own investment capital allows us to build without delays & offer investors the lowest entry threshold in the Bali real estate market

+30% increase in the cost of MONO AURA during construction

The cost of apartments & villas at AURA Wellness Resort will increase gradually throughout the construction period. The closer the complex is to completion, the higher the entry price. This guarantees additional profits for early investors

A TRANSPARENT & PREDICTABLE STRATEGY FOR INVESTORS

All stages & deadlines for price increases are approved in advance
